

We hope you had a super Easter break, which seems an age ago now, and we are now well underway with the summer term.

If you would like to speak to Mrs Read or Mr McIntyre about anything concerning your child, please do not hesitate to make an appointment in the school office or catch them after school.

### This term the children will be learning...

#### Topic

#### Egypt

The summer topic for Lower Key Stage 2 is Egypt. The children will learn about the geography and daily life of modern day Egypt and then move on to find out about what life was like in ancient Egypt.

#### Maths

This term we will focus on division, geometry and fractions before revisiting all the mathematical topics we have learned over the course of the year.

#### English

In English, we will continue to develop our writing skills through writing in different genres.

### How you can help your child:

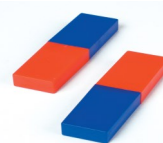

- Ensure your child is at school for the start of the school day.
- Make sure they bring their reading book every day.
- Read a book with them every night.
- Make sure they bring their P.E. kit every week.
- Help your child learn their spellings and times tables. (TT Rockstars)
- Encourage your child to complete any homework given.

#### Science

We will look at animals including humans; habitats, diet, food webs, teeth and the digestive system.

In magnets and forces we will investigate pushes and pulls, magnetic materials and attracting and repelling.

#### ICT

In ICT we will develop our coding skills to debug programmes to make them work

#### French

We will look at the vocabulary around colours and animals.

#### Art

In art we will be making a tile in the style of the ancient Egyptian carving.

#### PE

We will continue to focus on personal sporting abilities which enable us to play structured sports games.

Please bring both indoor and outdoor PE kits each week.

Year 3 PE is on Wednesday and Thursday.

Year 4 PE is swimming on Wednesday and games on Friday.
