

Summer's Here!

We hope you are all enjoying the warmer weather and looking forward to the summer. We are looking forward to our trip to Tropical World after half term. Thank you to everyone who volunteered for the trip—sorry we can't take everyone!

Our staff are:

Miss Murgatroyd—Y1
Class Teacher

Mrs Pepper,

Mrs Krasniqi,

Mrs Chappell

Mrs Parker —Y1 Support

Mrs Mitchell—Y2 Class
Teacher

Mrs Copley, Mrs Langley—
Y2 Support

Tropical World Trip:

Thursday 8th June

Year 1 Phonic Screening:

Monday 12th June.

This term the children will be learning...

Topic

In the first half term we have been learning about Superheroes! We looked at textile artists and used some of their techniques to create our own superhero capes.

In the second half term, we will be learning about Rainforests. As well as our trip, we will be looking at plants and animals, and where rainforests grow in the world.

Maths

In Maths Year 1 are learning about shape, direction and time, as well as practising our basic skills like adding and subtracting. Year 2 are recapping geometry and time, and doing lots of problem based learning.

English

In English both classes will be covering a range of fiction, non-fiction and poetry based around a superhero theme during the first half term and a rainforests theme during the second. Lessons will cover grammar, spelling and extended pieces of writing.

How you can help your child:

- Continue to read every day at home and record in the reading record.
- Practise spellings when given.
- Complete the Learning Log homework.
- Year 1—Please practise the phonics screening check words and encourage writing at home.
- Year 2—Practise telling the time in 15 and 5 minute intervals.
- Please feel free to allow your child to bring in any books or items that are relevant to our topics or learning in class.
- We always welcome junk modelling materials!

Science

To link with the rainforest topic, Year 1 will be learning about plants and the conditions needed for growth. We will also look at animals and their habitats.

PE Kit (boys and girls): White T-shirt, navy or black shorts, pumps or trainers. As the weather gets warmer we hope to be outside more, so please ensure your child has a pair of trainers.

Girls may also bring: Black or navy leotard.

Please bring your child's PE kit on a Monday and leave it all week to be taken home Friday.

History

We will be looking at real life superheroes from the past—people who have saved lots of lives and made changes for the better.

Geography

In the second half term both classes will be learning about the location of rainforests around the world, and weather patterns around the globe.

Art/DT

Both classes have been experimenting with textiles to make their own superhero capes.
